- Maxi Shield has sound deadening properties
- Sleek, stylish design
- Gives the hand dryer presence in the washroom

Supreme MAXI SHIELD

Enhance the washroom environment with a Supreme MAXI SHIELD. This easy-clean shield can be installed in new buildings, or in retrofit situations. It's unique sound deadening properties reduce through wall noise, ideal if the hand dryer must be mounted onto a wall adjacent to offices or shops. The shield can also be used when upgrading hand dryers, as it covers unsightly marks and holes left by the previous hand dryer or paper towel dispenser.
