

## NEW PRODUCT RELEASE NOTIFICATION

**Product Launch Date:** 24 September 2018

**Product Type:** Heater Fan Light

**Primary Brand:** MANROSE™

**Product Range:** Manrose™ Designer Series

The Manrose® Designer Series range has just been expanded to include an even more stylish Bathroom Heater, Fan, LED Light Units. The Satin Range includes 2 and 4 heat lamp units in white and silver.

The heat lamps with 84l/s installed extraction and integrated LED lamp. The 2 lamp kits include a 3-way switch, the 4 lamp kits include a 4-way switch for independent operation of each function, along with 3 metres of 125mm ducting and an exterior fixed grille.

The heat lamps have thermal protection and are complimented by a central 10W LED light, all set in a low profile fascia. The result is a clean and stylish bathroom heater-fan-light system that will integrate comfortably into any modern bathroom design.

### Satin Features:

- Energy saving flush mount LED downlight
- Instant radiant heat
- Low profile fascia
- Side ducted centrifugal exhaust fan with back draft stopper
- Thermal switch safety feature
- Comes with 125mm x 3m Aluminium Ducting and a Fixed Louvre External Grille
- Includes switch, Heat Lamps and 1 x 10w LED Downlight
- 5 year warranty (excluding LED and Heat Lamps)
