

CoreLine Batten

Lower standards or *raise the bar?*

CoreLine battens deliver superior performance, output and energy efficiency in an affordable package. It is the perfect retrofit solution for conventional battens. With a wider base and no visible mounting brackets, replacement of an existing batten has never been so easy.

Features and Benefits

- Excellent replacement for T8 and older battens.
- Surface mount with no visible brackets.
- Emergency options available (AS2293 compliant).

Application

Warehouses, Retail, Stairwells, General industrial applications
