

CoreLine Widebody WP Batten

Soggy mess or waterproof success?

It's the suitable retrofit solution for conventional waterproof fittings. With a wider base, sturdy and robust finish, multiple knock-outs and the ability for through wiring, installation is hassle-free and simple.

Features and Benefits

- Wide base for direct replacement of T8 luminaires.
- Emergency options available (AS2293 compliant).

Application

Warehouses, Wet areas, Carparks, Factories
