

TECH DATA – WONDER WIPES

DESCRIPTION

EVERBUILD WONDER WIPES are specially formulated for the building and allied trades to clean wet and semi-cured paints, sealants, adhesives, bitumen's, polyurethanes, expanding foams, polyester fillers and epoxies from hands, tools and surfaces.

WONDER WIPES contain a powerful antibacterial additive which has been tested by an independent laboratory to BSEN 1276:1997 and BSEN 12054:1995 – the standards for killing bacteria on dirty surfaces and hands.

WONDER WIPES are resistant to MRSA, salmonella, Listeria and E.Coli

WONDER WIPES also easily remove oil, grease petrol and inks, yet the powerful cleaning agents are still kind to hands.

WONDER WIPES contain lanolin and vitamin E to condition skin and prevent dryness and cracking, there is no need to rinse hands after use.

WONDER WIPES are available in 25 wipe packs (handy size) or a large container containing 80 wipes.

HOW TO USE

25 sachet size: Pull back top of container and remove wipe. Re-seal immediately to prevent wipes drying out.

80 wipe size: Pull off black lid and open closure. Find start wipe in **centre** of roll. Pull out approx 1 foot of wipes and thread through black lid. Replace black lid immediately and reseal closure.

Wipe on hand/spills, use immediately for best results.

HEALTH & SAFETY

WARNING

Keep out of reach of children

Avoid contact with eyes and damaged skin.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

STORAGE: Store in cool dry conditions away from direct sunlight, between +5 and +25°C. Storage outside these parameters will dramatically reduce shelf life. Remove all sources of ignition. Ensure good ventilation.

SHELF LIFE: 12 months from date of manufacture, as long as container is tightly closed. Containers left open will reduce shelf life to several days.

IMPORTANT NOTE

Do not use on porous surfaces such as untreated wood.

On sensitive surfaces, always test a small inconspicuous area before use.

Do not dispose of wipe in a toilet.

Use only as directed.

Store only in original container.

As with all detergents, people with sensitive or damaged skin should avoid prolonged contact with skin.

It is the user's responsibility to determine suitability for use. If in doubt, please contact Technical Services Department for further advice.

INGREDIENTS

Aqua, isopropanol, Dimethyl Glutarate, Dimethyl Succinate, PEG-75, Lanolin, Citrus aurantium dulcis, Dimethyl adipate, C9/11 Pareth-8, DMDM/MDM Hydantoin, Tetrasodium EDTA, Butylene glycol, BHT, Iodopropynyl butylcarbamate, citric acid

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application.

Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that

The information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.

Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with

The stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information

Provided verbally by telephone to any prospective or existing customer.
