

## NEW PRODUCT DATA AND APPLICATION SHEET

CATALOGUE #	BARCODE #
DBF15	9416175117350
DBS15	9416175117930
DBF30	9416175117909
DBS30	9416175117947

**DESCRIPTION**      15 and 30 Way Distribution Boards

**DBS15**

**DBF15**

**BOX QUANTITY**      1

**OUTER QUANTITY**      Nil

**FEATURES**

***New Features 2008:***

Additional Neutral busbars to suit the new AS/NZS3000 wiring regulation.  
 Marking to indicate segregated RCD protected Neutral bars.  
 Updated circuit identification labels- now black and white.

***Standard Features:***

Unique double doors open 180° with minimum projection.  
 Light grey colour standard, can be painted to suit decor requirements.  
 Contains segregated neutral bars, suitable for RCD installation  
 DIN rails are now screw-fixed to the base and are removable to allow workshop assembly.  
 Accepts the single pole RCBO.  
 Sealed cable entry knockouts.  
 Captivated door assembly cover screws  
 Robust, durable one-piece base construction.  
 All plastic surface wallbox has increased internal space without increasing overall size.  
 DBS15 new smooth underside design for improved aesthetics  
 Conduit entries top and back - DBS.  
 Supplied with a full set of neutral and earth bars and insulated Phase busbar,  
 Supplied complete with spare pole fillers, circuit labels, N & E links and Earth tag.  
 Removable front cover assembly allows easy access for wiring and pre-installation of the wall box.  
 Ample room for circuit labelling top and bottom,  
 Complies to AS/NZS3439.3  
 Maximum Rating: 100A 415V a.c. 50hz

## NEW PRODUCT DATA AND APPLICATION SHEET

- APPLICATIONS** For all domestic and commercial distribution applications.
- COMMENTS** The added features of the new opportunities and improvements to cater for all distribution applications.  
Door assemblies are common to both flush and surface boards.
- ACCESSORIES** Additional items available in the Superboards range:
- Pole Fillers: 7.5 pole length strip - DBF15/23
  - Phase bar: 15 Way Comb - MG15
  - Neutral/Earth Bars: 4 Way (RCD) - DBFN4, 9 Way (N/E) - DBFN9
  - Neutral Splitter 3 Way shrouded - DBF3
  - Neutral/Earth Link - DBF15/10
  - Earthing Conductor Tag - 4DBE
  - Door Assemblies (suit flush & surface boards) - DBF10ASSY; DBF15ASSY; DBF30ASSY; DBF45ASSY; DBF45ASSYNT; DBF60ASSY; DBF60ASSYNT (NT = new larger boards)
  - Power meter mounting kit (for 60 Way boards) - DBFPMK
  - Safety Plates for fixing to flush bases: Provides mechanical barrier to comply with AS/NZS3000 - DBF10/51; DBF15/51; DBF30/51, DBF45/51 (45 Way suits 60 Way boards as well)
  - DBF/DBS Circuit ID Label Sheet - DBF15/19
- Note - some items are indent and lead times apply
